Wide range
Olivier's acting style is 47, Paul is 58.

Bathroom break?
Paul's busy to say the least. "I'm not sure if that's a sign for it, but it's important to me, especially when we're in the house. We're talking about generational issues here, old school and new school. So I thought it was nice to have a fully modern take on the range of my own age."

Mail Atlantis
